## TRIAL OF BRIDGE TIMINGS

---

Due to the ever increasing demand and concerns over health and safety around the bridges, Sovereign Harbour Marina has decided to trial the raising and lowering of the West & North bridges at set times.

Bridge timing trials will commence Monday 30<sup>th</sup> June 2008, from 0800 – 2200 hours and will continue for one month.

For the purposes of this trial the South Bridge will be excluded.

### **Times of raising and lowering are as follows:**

- **Raised at 10 minutes past the hour and lowered at 25 minutes past the hour.**
- **Raised at 40 minutes past the hour and lowered at 55 minutes past the hour.**

Any feedback you may be able to offer would be appreciated in writing to the Marina Office.
