

ESCC Adopted Roads and Paths Shown in Blue

East Sussex County Council is required to keep an up to date list of streets maintained at public expense under section 36 of the Highways Act 1980. This list is kept by East Sussex County Council in digital format.

The information contained in this website is based on records compiled by the County Council and is correct to the best of our knowledge. It does not, however, constitute a definitive statement as to the status of any particular highway.

The list is constantly being amended and updated. Where there are doubts about the status shown for any particular street then users should contact the [Highway Land and Information Team](#).
